

## **THE KIVA CENTER** **SPONSORSHIP PACKAGE**

You and I both know, the world is a better place when kids are running free, playing in trees, and happy! At Kiva Center, we exist to make sure this is happening. We also both know that the world is experiencing an epidemic of loneliness, another reason we are here. We exist to help kids reconnect with self, community, and nature.

Will you support us?

### **THE KIVA CENTER'S PREMIER ANNUAL FUNDRAISER**

Thank you for considering sponsoring The Kiva Center's Annual Fundraiser. Sponsorship dollars support building confidence and empathy in Colorado youth through transformational nature education programming.

### **EVENT DETAILS: TREEHUGGER DISCO**

**On Saturday, November 11, 2023 from 5p-9pm,**

The Kiva Center hosts its Annual Fundraising event at Clovis Point Clubhouse in Longmont, CO. Food & beer/wine will be served. We will have a powerful program sharing the positive impact The Kiva Center has had on children, teachers, and families within our community, and beyond. **The evening will include a silent & live auction, a paddle raiser, heads and tails, and other fun. We will close the evening with live music in connection with our theme.** Money raised at the event will go towards scholarships to deserving families, and enhancing our after school programs in underserved communities so that kids with minimal access to the outdoors get the opportunity to fall in love with nature. Your support will awaken, empower, and bring joy to kids throughout the Front Range.
